

MOBI724 Global Solutions Announces Initiation of Certification for Local EMV debit cards in the Philippines via its subsidiary MOBI724 Asia

Montreal, May 25, 2017 – MOBI724 Global Solutions Inc. (MOBI724) (CSE: MOS) (OTCQB:MOBIF), a fintech leader offering integrated EMV payment, card-linked offers and digital marketing, via its subsidiary MOBI 724 Asia Inc., today announced the initiation of certification for the local debit EMV schemes in the Philippines market. The certification is on behalf of local prospects who intend to use MOBI724 solutions to roll out a full EMV solution to their customers.

“This certification is expected to boost the reach of MOBI724 in the Philippines and gain access to many acquirers who are transitioning to EMV solutions.”

“We are proud of becoming one of the first local EMV certified end to end solution in the Philippines market which will allow us to serve the Philippines market with the EMV and all our card link solutions which include financial institutions, acquiring networks and merchants alike ” says Marcel Vienneau, CEO, MOBI724. “This EMV certification is expected to help acquirers to remain compliant with the Central Bank of Philippines (BSP) regulation.”

About MOBI724

MOBI724, a leader in the fintech industry based in Montreal (Canada), offers a unique and fully integrated suite of payment & digital marketing solutions with a combined EMV Payment, Card Linked Offers, and Digital Marketing platform that works on any card and any Mobile device. MOBI724's solutions add value to all types of transactions benefiting banks, retailers and cardholders by leveraging available user and purchasing data to increase transaction volumes and spend. MOBI724 provides a turnkey solution to its clients to capture card transactions on any Mobile device, at any point of sale or from any payment card. MOBI724 provides its customers with full and comprehensive traceability and enriched consumer data through its offering. Its solutions enables card associations, retailers, manufacturers, offer providers, Mobile operators and card issuers to create, manage, deliver and "track and measure" incentive campaigns worldwide to any Mobile device and allow its redemption at any point of sales.

Forward-Looking Statements

Certain statements in this document, including those which express management's expectations or estimations with regard to the Company's future performance, constitute "forward-looking statements" as understood by applicable securities laws. Forward-looking statements are, of necessity, based on a certain number of estimates and hypotheses; while management considers these to be accurate at the time they are expressed, they are inherently subject to significant uncertainties and risks on the commercial, economic and competitive levels. We advise readers that these forward-looking statements are subject to risks, uncertainties, and other known and unknown factors that may cause the actual results, performance or achievements of the Company

to be materially different from any future results, performance or achievements expressed or implied in these forward-looking statements. Investors are advised to not rely unduly on the forward-looking statements. This advisory applies to all forward-looking statements, whether expressed orally or in writing, attributed to the Company or to any individual expressing them in the name of the Company. Unless required by law, the Company is under no obligation to publicly update these forward-looking statements, whether to reflect new information, future events, or other circumstances.

This news release does not constitute an offer to sell or a solicitation of an offer to buy any of the securities in the United States.
