RESAAS Welcomes Equitas Realty to The Real Estate Social Network™

VANCOUVER, B.C. (December 15, 2014) – RESAAS Services Inc. (CSE: RSS), The Real Estate Social Network™, is pleased to welcome [Equitas Realty](#) to the [RESAAS Platform](#).

Equitas Realty is a full-service real estate brokerage based out of Saratoga Springs, New York. Founded in 2008, the brokerage services the areas of the greater Capital Region and Lake George.

“We believe that there are big changes coming to the real estate industry over the next five years,” said Justin White, Managing Director at Equitas Realty. “The real estate industry, like many other industries, is heavily shaped by technology. The way we conduct business has changed, and by joining RESAAS our agents will gain greater exposure, while reaching a wider audience for themselves, their inventory and the Equitas brand.”

When using RESAAS, each Equitas Realty agent will receive his or her own social profile, and will be connected together privately to leverage the power of social networking to easily share activity within their firm.

“It has been great working with a company who is eager to adapt their business in order to compete in the evolving landscape of the real estate industry,” said Christophe Boyer, Account Executive at RESAAS. “The referral tools that RESAAS has developed will give each of their agents a competitive edge in a market that experiences a high level of international interest.”
