

PRESS RELEASE

nDatalyze Corp. ("NDAT" or the "Corporation") (CSE:NDAT) (OTC:NDATF) closes its previously-announced private placement.

Calgary, Alberta – April 24, 2024

For Immediate Release – nDatalyze Corp. ("NDAT" or the "Corporation") (CSE:NDAT) (OTC:NDATF) is pleased to announce it has closed its previously-announced private placement ("PP") of 1,000,000 common shares ("Shares") at US\$0.15 per Share (US\$150,000) to a single US accredited investor. At a 1.375 exchange rate this equates to approximately \$206,250 Canadian Dollars and approximately \$0.21 per Share subscription price. A 6% finders fee of US\$9,000 will be paid in cash to a third party and 90% of the net proceeds will be allocated to the recently-acquired Mindbalanced Inc. ("MB") operations (NDAT acquired 100% of MB on April 16, 2024). The remainder will be used for general working capital. There are no warrants or rights attached to the Shares and the Shares will be subject to a minimum four month hold period.

About Mindbalanced, Inc.: Mindbalanced's vision is to redefine mental healthcare through an integrative, personalized approach leveraging cutting edge technology and non-invasive treatment protocols. By harnessing evidence-based data we aim to predict and enhance mental wellbeing, taking into account individual predispositions and environmental factors thereby fostering healthier and more fulfilling lives for all.

About YMI: YMI uses evidence-based, objective data from whole life experiences to predict individual mental states over time and applies this knowledge towards a fuller understanding of how mental health develops, and how to improve mental wellbeing. YMI combines supervised machine-learning with a proprietary Reference Database to predict an individual's predisposition toward a variety of common mental conditions, both current and forward in time. YMI is poised to revolutionize mental health diagnoses while ensuring a sustainable revenue stream. By strategically addressing the causes of misdiagnosis, establishing credibility through clinical studies, and targeting key markets, YMI aligns both societal impact and financial success.
